Less amounts not subsidizable	1,250.61	1,256.61
AMOUNT SUBMITTED TO THE DEPART- MENT For Subsidy		<u>\$116,023.51</u>

The most important work for the year was the completion of the Bridge and Cut and Fill on Road 7 on the road between concessions 10 and 11 in the Township of North Walsingham.

The chief features for the work were:

Excavation of 400 cu. yds. of earth for the abutments; Supplying and driving of 3200 lin. ft. of piles; Concrete in place for the abutments and superstructure 600 cu. yd.; Reinforcing steel 33.4 tons; in addition to this, 30,974 cu. yds of dirt was excavated for the embankment east and west of the bridge; Two 6 ft. arch pipe culverts 54 feet long were installed; 1420 ft. of 6" perforated corrugated pipe were installed for draining the subsoil in the hills; and 171,942 ft of 18" concrete pipe and 3 catch basins were installed to carry the surface water from east of the east hill to Big Creek; 3500 ft. of Highway Guard has been erected on the embankments; 2159 tons of gravel was placed on the road. The total cost of the whole scheme to date is \$36,241.44.

The completion of this project has eliminated a dangerous condition on the County Road System and is certainly appreciated by the ratepayers in the western part of the County. The Bridge was officially opened by Mr. Bruce Whitside, Warden of the County, in June, 1942, with the majority of the County Council and a number of interested ratepayers of the County.

A dangerous corner on Road 7, one concession north of the above work has been improved, also the corners at the intersection of County Road 15 and the sixth concession road of the Township of Woodhouse have been improved and a bad driving hazard has been eliminated.

The retreatment of the tar roads and also the long mulch patches as shown in the estimates submitted to the County Council in May, 1942, were all completed. The total estimated cost of the retreatment and double surface treatment was \$28,500., the actual cost of this work being \$27,206.21. The estimated amount for the mulch patches was \$12,000., the actual cost being \$11,162.82.

The letter received from the Department of Highways in regard to post war construction, and read to you by the

County Clerk, is one of considerable importance as it opens up the opportunity to a closer co-operation between the County organization and the other Municipalities in the County in the purchase and use of necessary machinery. I shall be pleased to work with the Committee that is appointed in accordance with the suggestions in the above mentioned letter.

The four G.M.C. 3 ton Trucks purchased by the County in 1940 and 1941 were used on the various works and the following gives some information in regard to the costs, etc.:

The mileage as recorded on the speedometers of the four trucks since they were purchased is 217,425 miles. Number of hours worked 20,051. Cost of repairs and labor \$1,749.09. Cost of new tires and repairs to tires \$1,557.94. Gasoline \$1,608.67. Wages paid to operator \$6,626.30. Oils, greases and miscellaneous \$582.92. Insurance \$688.32.

Cost per mile travelled 12.25, cost per hour \$1.33, miles per gallon of gasoline 10.9.

Placed to Machinery reserve account since purchase of trucks to December 31, 1942, \$8,937.93.

I regret to report that Peter Bauslaugh, foreman in the east part of the County, received a severe fracture of the leg at the knee in June, 1942. He has been unable to work since but the condition of the knee is improving and trust he will be able to resume work in the spring. David Barber has carried on efficiently in Peter Bauslaugh's place. The maintenance work in the western part of the County has been carried on by Walter Swick very satisfactorily. The County Road Books kept by Mrs. Klitzke have been audited by the Department Auditor and found correct.

I desire to thank the County Council and the County Road Committee for their cooperation during the past year.

I have the honor to be, Gentlemen,

Dated at Simcoe,

Your obedient servant,

This January 19, 1943.

Guy R. Marston.

AUDITOR'S REPORT

January 12, 1943.

To the Warden and Councillors of the Corporation of the County of Norfolk:

We have audited the books and accounts of the Corporation of the County of Norfolk for the fiscal year ending December 31, 1942, and have prepared statements as set forth in the accompanying index.

In connection therewith we report that we have obtained all the information and explanations we have required, that, in our opinion, the transactions that have come under our notice have been within the powers of the municipality, that, subject to the following comments, the balance sheet is properly drawn up to exhibit a true and correct view of the state of the affairs of the County of Norfolk as at December 31, 1942, according to the best of our information, the explanations given to us and as shown by the books. In our opinion rules respecting municipal audits prescribed by the Department of Municipal Affairs have been complied with.

Accounts Receivable and Accounts Payable are included in the attached statement on the basis of information supplied to us by County officials and have not otherwise been verified by us.

The operations of the County of Norfolk for the year 1942 resulted in a net surplus of \$16,094.27 arising as follows:
